

ACATIS FAIR VALUE AKTIEN GLOBAL (CHF)

AS OF: JUNE 30, 2018

Global equity fund, aggressive, sustainable, Swiss franc hedge

MARKET COMMENTARY

The tranche price fell by 2.1% during the reporting month and the reference index lost 0.6%. In June, the best performers were Nike (+11.2%), Burberry (+5.0%) and Cognizant (+4.8%), the biggest losers were Suruga Bank (-22.6%), W-Scope (-15.7%) and Starbucks (-13.9%). Nike managed to come back in the last quarter. Sales revenues grew by 13% as a result of strong demand for new products, the expansion of the company's digital platforms and the partnerships with Amazon and Zalando. In addition, Nike also announced a USD 15 billion, four-year share buy-back program. Starbucks announced the closure of 150 non-profitable shops in the US, a weaker sales forecast for the current financial year and the retirement of the company's CFO Scott May in November. All of the above caused the share price to drop. Nevertheless, Starbucks expects strong sales growth in China in the coming years, and plans to open 5200 new locations by 2021.

INVESTMENT OBJECTIVE AND - PHILOSOPHY

The ACATIS Fair-Value Aktien Global fund mainly invests in shares of international companies taking account of sustainability criteria. They are companies selected with special heed to ethical issues (especially standards with regard to corporate governance, social and environmental responsibility, and ecological sustainability). In the individual stock picking process the fund's management pursues a value investing approach.
